### FUNCTIONS:

- Create awareness of opportunities in Research and Development among the faculty and students in every department.
- Motivate staff and students to take up Research projects and upgrade qualifications by registering for Ph. D programs.
- Monitor the quality of dissertations and thesis topics and reports.
- Encourage staff members and students to publish papers in reputed National and International Conferences/Journals.
- Explore possibilities of research collaborations, nationally and internationally for long term development.
- Drive the Department to undertake research activities and development projects offered by agencies such as ISRO, DRDO, CSIR, DST, AICTE, UGC, etc.
- Review and monitor research and development activities in all thrust areas so that quality research can be encouraged through pre-established schedules given at the time of allotment of projects.
- Register sponsored research, consultancy and short term sponsored courses that are approved by the sponsors/funding agencies.

- 24
- Develop strategies to foster collaborative research.
  - Monitor and track budgets and utilization of funds received from sponsors.
  - Prepare an Expenditure statement.

  
**(Dr M Sreenivasa Reddy)**  
**Principal**
